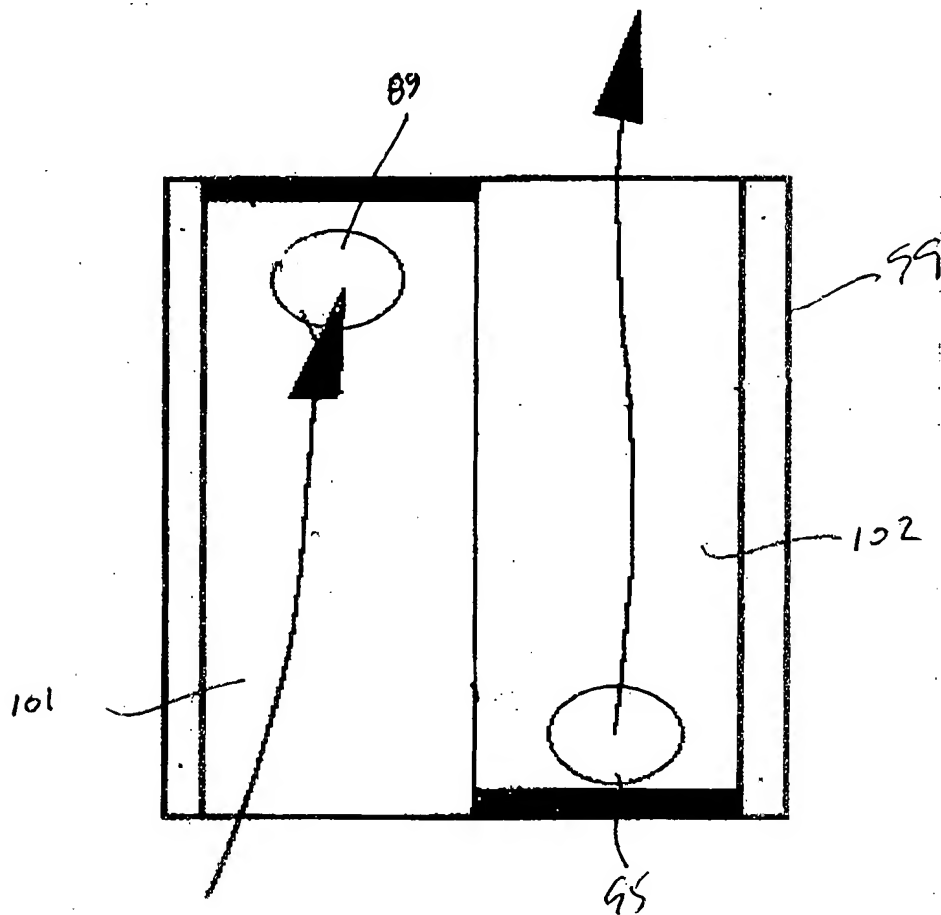

Fig. 9

A hand-drawn schematic diagram of a mechanical assembly, likely a pump or motor, with various components labeled with reference numerals. The diagram shows a cross-section of a housing (207) containing internal components like a rotor (209), stator (205), and a central shaft (201). A vertical shaft (203) extends from the bottom, and a horizontal shaft (289) enters from the left. Other labels include 299, 295, 221, 213, 208, and 203.
